

Take a bite out of the apple

Discover the key meeting point for event organisers in New Europe

CONVENTA 2023

1 - 2 February 2023 | Ljubljana, Slovenia

JOIN THE EXPERIENCE

Dear Future Leaders of the Meetings Industry

We look forward to welcoming you to the IMEX-MPI-MCI

Future Leaders Forum at Conventa 2023 on

Tuesday, 31 January 2023

at GR-Ljubljana Convention and Exhibition Centre, Ljubljana, Slovenia

The Future Leaders Forum has been developed to encourage YOU to start a successful career in the meetings and events industry. The initiative by IMEX, MPI and MCI has taken place globally since 2003.

"I learned a lot of new things, I met a lot of people I didn't know before. But the most important thing is that I got the answer: I would like to do that kind of work." (FLF Ljubljana attendee)

Connect and network – Be Inspired – Get Industry Insights – Showcase your creativity

... what you can expect from the forum

At the forum we will talk about the meetings and events industry with a main focus on sustainability and the future of events. You will meet and listen to some of the leading speakers in the industry and learn about the meetings industry. It will also give you a chance to visit the Conventa show and see how countries promote themselves. It is a wonderful experience!

... what you need to do now

Students qualifying for the Forum should have a student's status at a university or college, where they are studying meetings and conventions, tourism or hospitality. **Participation fee for students is sponsored by Conventa. All you have to do is apply here: <https://conventa.si/young-talents/>**

... what will you learn

Knowledge and Inspiration Section

How to organise events that are environmental friendly?

You will learn from experienced people with practical knowledge about the sustainability at events. You will also be inspired by the many different career paths in the meetings and events industry and hear career stories of both young professionals and experienced industry veterans. Learn how they started in the industry and what it takes to build a successful career.

Networking

Get first-hand industry insights, hear personal stories and ask all your burning questions to a group of selected industry experts in an informal and relaxed atmosphere.

Creative Section

Creative Challenge: Work on a Real-Life Case and Pitch your Ideas

You will work in teams to prepare proposals for a specific client with specific needs. This is a great opportunity to both show your leadership skills of managing a group and showcase your creativity.
